## **PUBLICITY AND CONSULTATION BEFORE APPLYING FOR PLANNING PERMISSION**

FAO THE OWNER AND / OR OCCUPIER

To whom it may concern

This letter serves to provide notice for an upcoming planning application at Cardinal Wiseman Catholic School, Potters Green Road, Coventry, CV2 2AJ in connection with a proposed outdoor sports facility.

Cardinal Wiseman Catholic School is in the process of submitting a planning application for a new 3G pitch and upgraded netball court lighting as part of its vision to become a centre of sporting excellence for Coventry and the wider West Midlands. The facilities will provide year-round, high-quality opportunities for students of all abilities while also serving the broader community through local tournaments, inter-school competitions, and sports festivals. This development marks a program aimed at enhancing sports provision, strengthening the student experience, and improving community engagement.

A public consultation evening is scheduled for **Tuesday 7 October 2025** between the hours of 5.30pm and 8.00pm at the library within Cardinal Wiseman School. Local residents and interested parties are invited to express their thoughts on the proposals. Printed plans will be presented to attending members, who will have the opportunity to ask questions throughout the event.

The project team will then consider any appropriate design changes to the development before the time of submitting the planning application. Note that there will be a further opportunity to provide comments and feedback during the formal consultation period after the application has been submitted.

Should you wish to attend the event, please report to the main reception to be directed to the correct room. We hope that you are able to attend the consultation evening as we look forward to receiving your feedback.

Yours faithfully

Ms L Burtonwood  
Principal
