1. Scope

This document outlines the School Policy on Uniform and Appearance. This policy applies to Pupils in Year 7 – 11 and it details expectations in relation to the uniform and appearance, rules and regulations in Key Stage 3 and 4.

A separate Policy is in place for Sixth Form and this can be found via a hyperlink on the Linked Policy section below.

2. Key Principles

We believe wearing a uniform is underpinned by a number of key principles. By wearing a uniform, it promotes equality of opportunity for all pupils, social cohesion amongst pupils and protection from social pressure to dress in a particular way. Furthermore, it helps to give the pupils of the school a sense of identity, belonging and positive self-image. The uniform of Cardinal Wiseman, details the Coat of Arms and therefore it gives the school a well-respected profile and supports its Catholic, Christian ethos.

Pupils wearing the uniform of Cardinal Wiseman Catholic School contribute to creating a culture of high expectations and high achievement within the school:

- Our badge states “Omnia pro Christo” which means “All things for Christ”
- It creates a recognisable identity for our school.
- It promotes respect.
- It improves learning by reducing distraction and sharpens focus on schoolwork.
- It makes the classroom a more serious environment, allowing students to perform better academically.
- It is an important part of being a school student.
- It means students don't have to worry about peer pressure when it comes to their clothes.

When everyone is dressed the same, worrying about what you look like is not so important. There is no competition about being dressed in the latest trend.

3. Introduction

The school is named after Cardinal Nicholas Wiseman who became the first Cardinal upon the re-establishment of the Catholic hierarchy in England and Wales in 1850. His coat of arms is displayed on every student's blazer. The motto is 'All things for Christ' therefore faith is at the heart of everything we do, as well as recognising that we are all made in the image of God.

Cardinal Wiseman School, as a member of Romero Multi Academy Company, believes that all young people, whatever their background, are made in God's image and have unique talents. In Christ, all things are possible, and we believe that each individual is capable of learning and of experiencing success as a result of hard work, commitment, learning from mistakes, and guidance. Effective learning is a result of effort and persistence. All pupils are capable of growth and overcoming difficulties in learning. Pope Francis said: “Education cannot be neutral. It is either positive or negative; either it enriches, or it impoverishes; either it enables a person to grow or it lessens, even corrupts him. The mission of schools is to develop a sense of truth, of what is good and beautiful.”
