

November 2025

Dear Parent(s) and Carer(s)

I hope you are well. I am writing to address an important issue that has recently come to our attention regarding inappropriate items being brought into school by some students. While we understand that most students follow school expectations, we have seen an increase in items that are not suitable for a school environment and can pose safety concerns or cause unnecessary distractions.

To help us maintain a safe, respectful, and focused learning environment for all students, we kindly ask for your support with the following:

1. Please check your child's school bag regularly.
Ensuring that students only bring the items needed for learning can prevent potential problems before they occur.
2. Please talk to your child about what is appropriate to bring into school.
Many issues can be avoided through a simple conversation about expectations, safety, and responsibility.

We appreciate your partnership in reinforcing these important messages at home. Working together helps us create a positive school environment in which every student can thrive.

For your reference, I have included a link to TRCA Relationship and Positive Behaviour Policy:

If you have any questions or concerns, please do not hesitate to contact us.

Thank you for your continued support.

Yours sincerely

Ms L Burtonwood
Principal
