Mrs Laura Burtonwood
Cardinal Wiseman Catholic School
Potters Green Road
Coventry
West Midlands
CV2 2AJ

Dear Mrs Laura Burtonwood

Final inspection report

Cardinal Wiseman Catholic School

Following your recent inspection, the final version of your inspection report or report card is now available in the provider portal. We will usually publish this on the [Ofsted reports website](#) 5 working days from the date of this letter.

You are required by law to distribute a link to or copy of the report or report card to the parents of all registered pupils/children at the school within 5 working days from the date of this letter¹. This includes parents who may not be living with the child and includes pupils who are still on the school roll but not currently attending, for example due to illness or a temporary exclusion.

You may also want to share your inspection results in your banners, leaflets or brochures. You are free to highlight your inspection results as you wish, but we request that where you display printed content from your Ofsted report card, you only do so alongside our official QR code 'badge'. You can download this from your page on the Ofsted reports website. The QR code links directly to your latest report card, for fast and easy access to the full report. The download includes different file types and guidelines on how to use them.

If you experience any difficulties accessing the report on the Ofsted website, please contact the inspection support administrator named below who is your best point of contact.

Independent evaluation of the changes to education inspection

¹ This is required under the Education Act 2005 section 14(4)(c) in relation to maintained schools and section 16(3)(c) for academies, free schools and non-maintained special schools. Regulation six of The Education (School Inspection) (England) Regulations 2005 states that the governing body must take 'such steps as are reasonably practicable' to ensure that the registered parents receive the report within 5 working days.

We have commissioned IFF Research to carry out an independent review of the changes we have made to education inspection. Two to 4 months after your inspection, you will receive an invite to complete a short survey. We have shared the email addresses we hold with IFF so you can take part. If you choose to take part, your views will inform our evaluation of the changes we have made to education inspection.

Yours sincerely

Andrew Madden HMI
Lead Inspector
