Dear Parents / Carers

Re: School Meal Price Changes from September 2026

I am writing to inform you of changes to the price of school meals at Cardinal Wiseman Catholic School, which will take effect from the start of the new academic year in September 2026.

Following a recent review, the cost of school meals will be as follows:

- **Main Meal (including sides): £2.70**
- **Meal Deal (main meal, side, and a choice of biscuit or cake): £3.00**

We would like to reassure parents and carers that students eligible for **Free School Meals (FSM)** will continue to have access to a hot daily meal of their choice. If you think your child may be eligible for FSM, please visit the links for further information:

Please also note that **bottled water will no longer be included as part of the meal deal**. However, water fountains are available throughout the school, and water bottle refill stations are located in both canteen halls. We encourage students to bring a reusable water bottle to school each day.

We appreciate your understanding and continued support and thank you for your cooperation as we continue to provide a high-quality catering service for our students.

Yours faithfully

Mrs L Burtonwood
Principal
