BOOM READER

Boomreader is an online method of recording all the reading that your child completes both in school and at home. It replaces the traditional paper version - and because it is online it can't be lost, forgotten or eaten by the dog! You can log in from any internet enabled device.

The online reading record enables school and home to work together to progress a child's reading level, and it allows us to maintain a record from reception through to Year 6 rather than replace a reading record each year.

You can download the app here:

The Romero Catholic Academy
Nurturing the Talent of Tomorrow

Cardinal Wiseman is the secondary school in the Romero MAC. It is a school with which we will be completing a lot of transition and enrichment work. We can guarantee a supportive, progressive, catholic secondary education here as it is part of our MAC.
