Division
Fractions

Geography

Know the countries involved in World War II,
recognising the countries that formed the axis
and allied powers.

Name and locate countries in Europe (and
other locations around the world).

History

Why did the war start and what caused World War
II?

How did the decisions of key leaders lead to war
and affect Coventry?

Why was Coventry targeted?

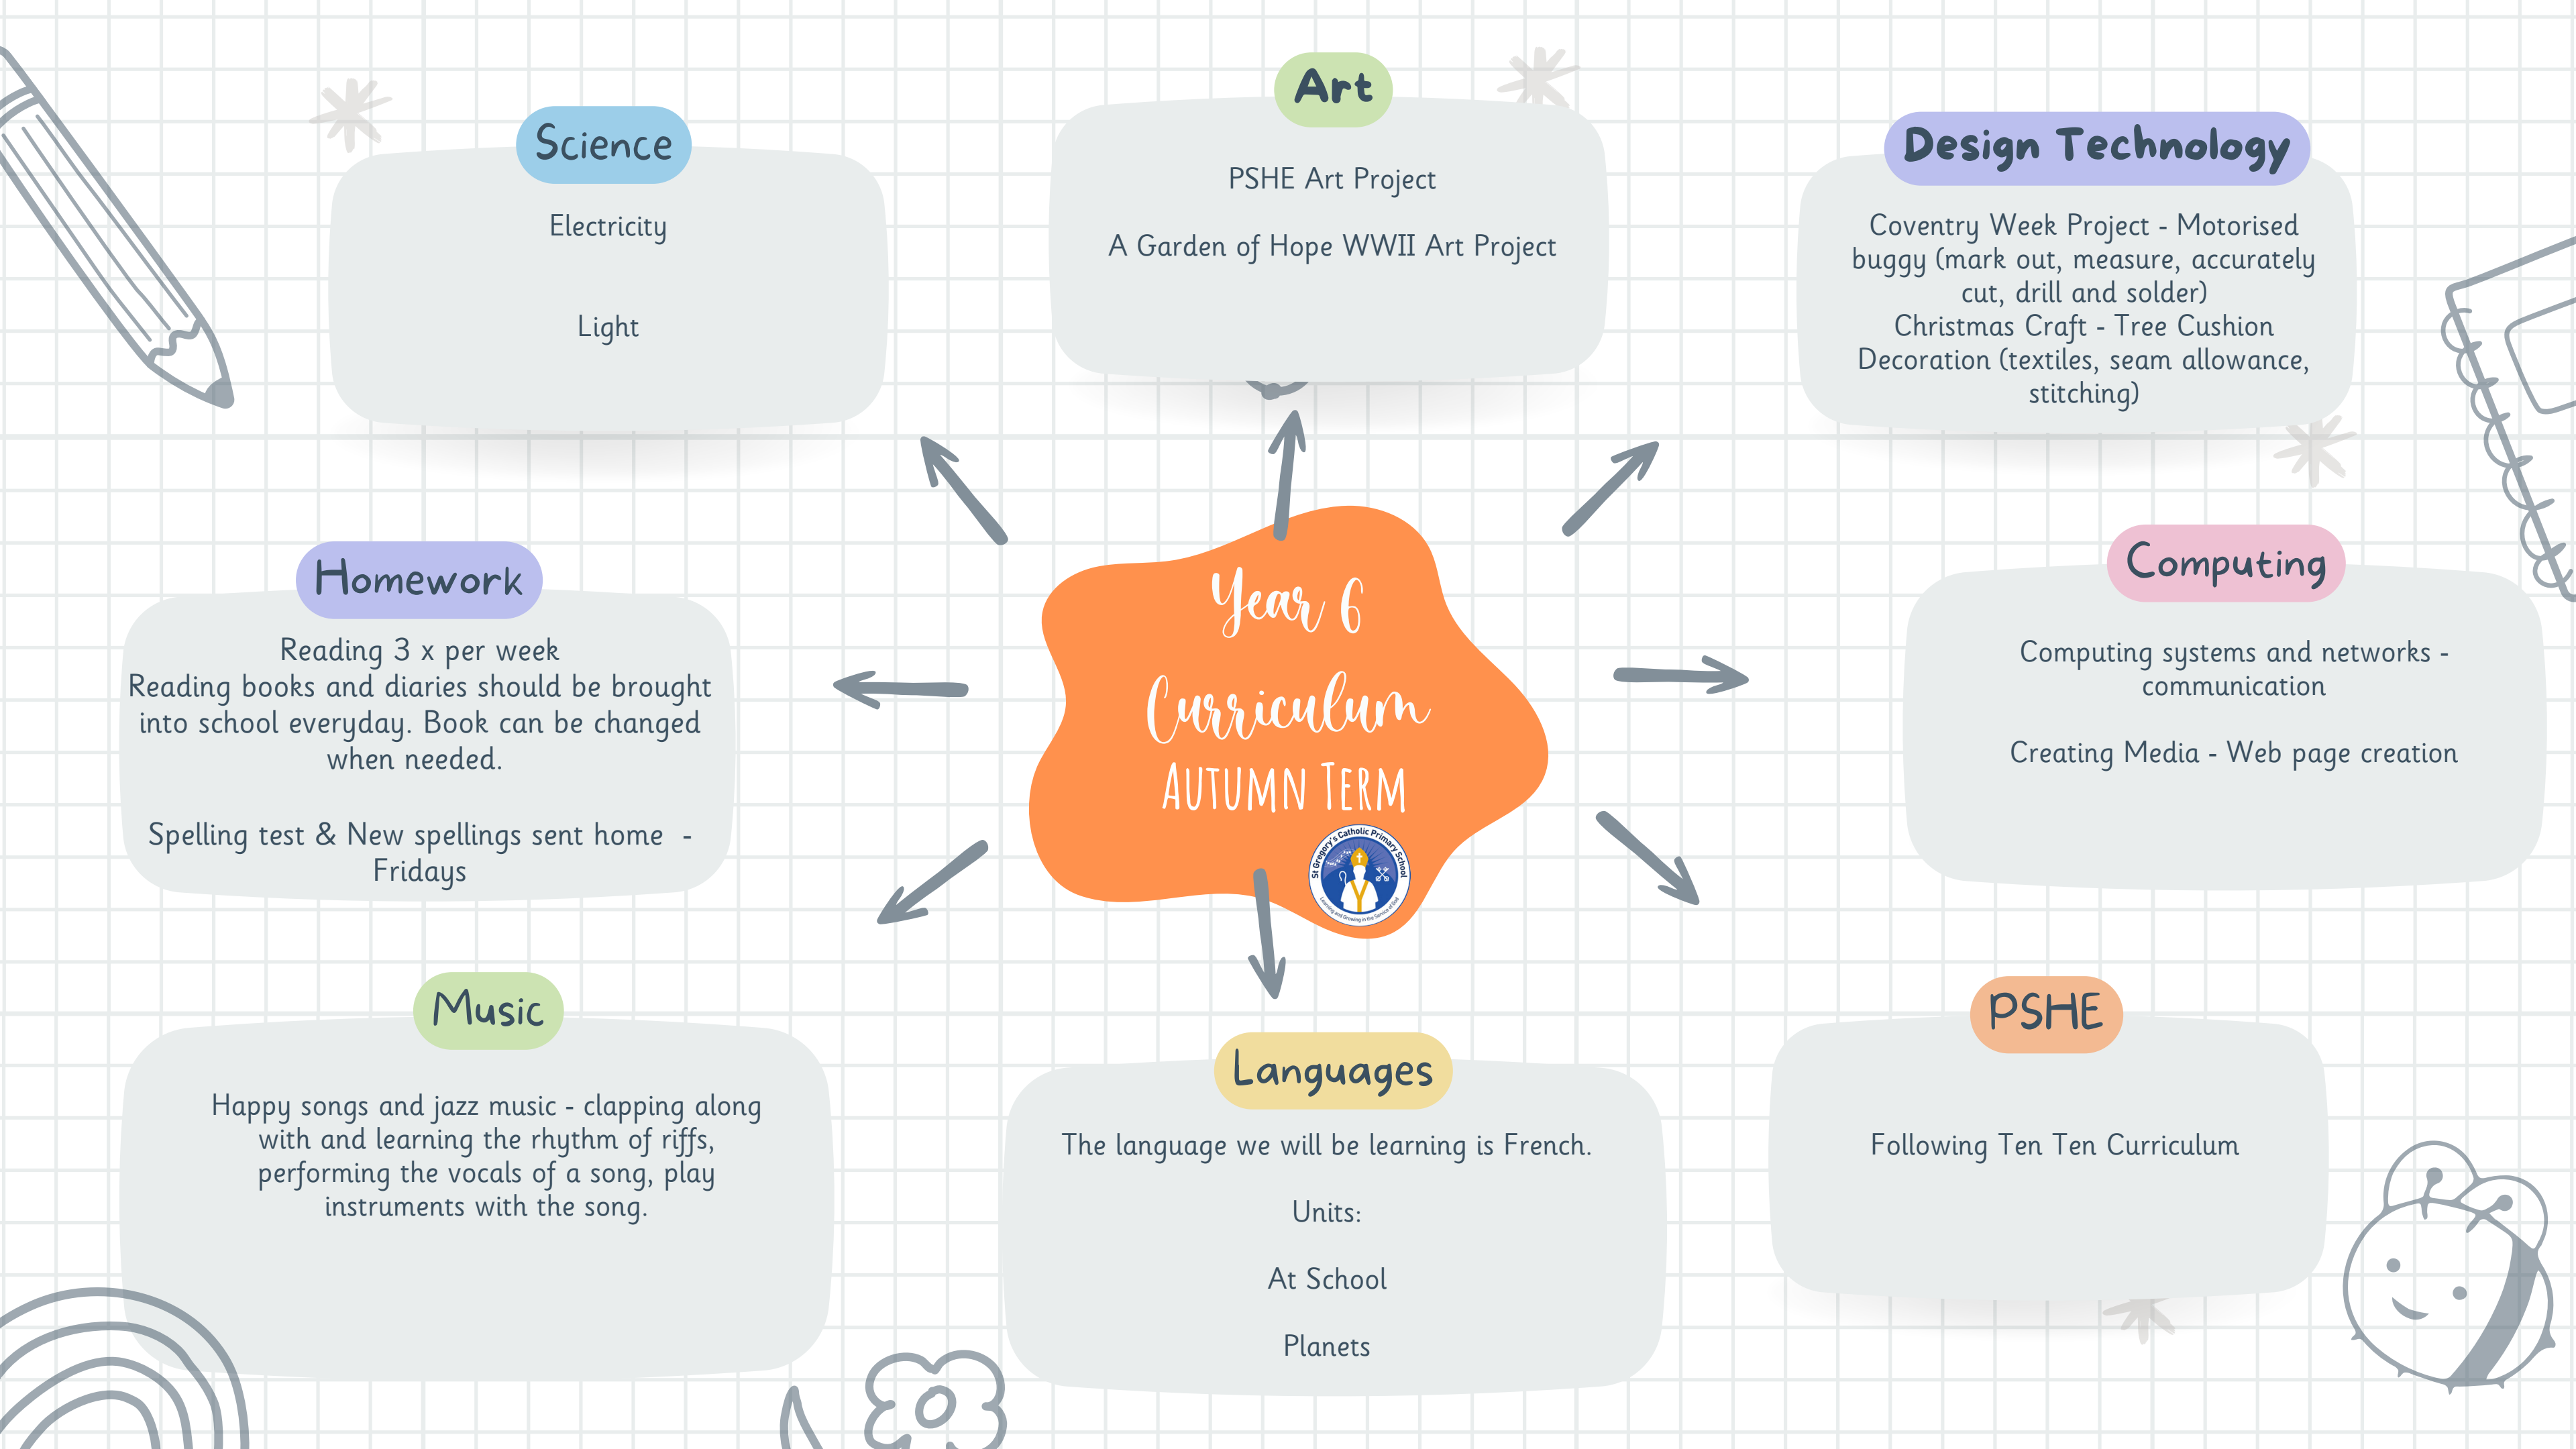

What happened during the Coventry Blitz, and why
was it significant?

How did people's experiences of the war in Coventry
differ?
