

The Gregory's Way

An introduction to Year 5

St Gregory's Curriculum Evening 2026

Harness the Gift

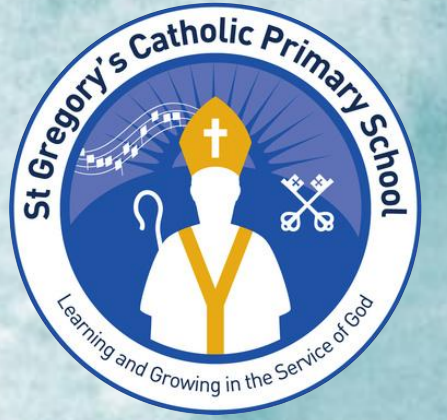

We have embraced the theme of ensuring that as a school, we work to Harness every child's unique gift this year!

While you wait, please take a slip and write the gift that you would like your child to share with the school community this year!

These will contribute to a whole school display

R(S)HE

TEN:TEN's RHE primary school programme (Life to the Full Plus) is taught with a spiral approach to learning, which includes teaching about personal health, physical and emotional well-being, strong emotions, private parts of the body, personal relationships, family structures, trusted adults, growing bodies, puberty, periods, life cycles, the dangers of social media, where babies come from, an understanding of the Common Good and living in the wider world.

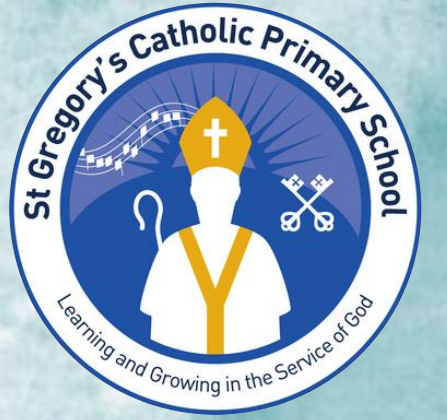

The entire teaching is underpinned with a Christian faith understanding that our deepest identity is as a child of God – created, chosen and loved by God. The programme is fully inclusive of all pupils and their families.

Assessment in Year 5

- Assessments will take place termly and the results of these support us in adapting the curriculum to meet each child's needs. Interventions may also be planned to support any gaps in your child's knowledge
- Reading: Teacher Assessments and Termly Comprehension Tests
- Writing: Teacher Assessments based on their English writing outcomes over time
- Maths: Teacher Assessment and Termly Reasoning and Arithmetic Tests

Supporting Reading

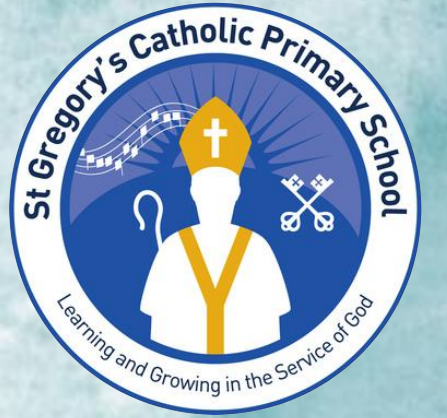

Making time to listen to your child read is the most important:

- ♥ First and foremost, focus developing an enjoyment and love of reading.
- ♥ Enjoy stories together – reading stories to your child is equally as important as listening to your child read.
- ♥ Read a little at a time but often, rather than rarely but for long periods of time!
- ♥ Talk about the story before, during and afterwards – discuss the plot, the characters, their feelings and actions, how it makes you feel, predict what will happen and encourage your child to have their own opinions.
- ♥ Look up definitions of words together – you could use a dictionary, the internet or an app on a phone or tablet.
- ♥ All reading is valuable – it doesn't have to be just stories. Reading can involve anything from fiction and non-fiction, poetry, newspapers, magazines, football programmes, TV guides.

Our expectation is to listen to your child read 3 x per week!

Home Learning

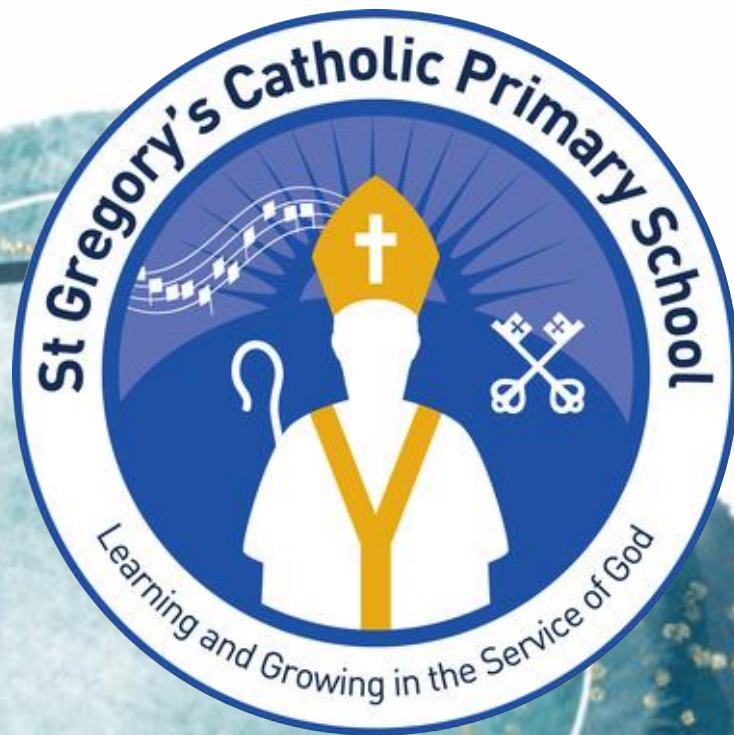

- Reading is the main source of homework as it is so important!
 - We ask that you read with your child at least 3 x per week
 - Books will be changed throughout the week
- Spellings will be set each week and we would appreciate your support in helping the children learn these
 - A paper copy will be sent home each week
 - Key Stage 2 can also access spelling shed
- We have listened to your feedback and understand that some parents would like more home learning
 - Each week the children in Years 2 – 6 will bring home an optional piece of home learning based on Maths or grammar
 - Please note this is optional for those who wish to complete it

Behaviour Ladder

Everything we do here is deep rooted in maintaining and building positive relationships.

‘Firm in Boundaries,
Warm in Heart’

‘Visible Consistency, Visible Kindness.’ Our School Rules: 1) Respect Everyone And Everything 2) Follow Instructions Straight Away 3) Always Aim To Do Your Best	
Step One Praise the Positive Praise those children following instructions and displaying positive learning behaviours.	Step Two Stop & Notice Gentle verbal prompt. Helps the child become aware of their behaviour.
Step Three Talk it Through Short, calm scripted conversation. Regulation-focused and reminds of expectations.	Step Four Choice Staff or pupil gives/takes a Choice Card. Pupil goes to a pre-agreed safe space or to visit a designated staff member. This provides a physical reset and a clear opportunity to change behaviour.
Step Five Pause & Reflect Breaktime restorative conversation with staff. Reflection sheet completed to help process what happened. *In exceptional circumstances, certain behaviours may warrant an immediate response at a higher stage of the behaviour ladder.	Step Six Repair & Restore Lunchtime reflection with SLT. Restorative conversation and relational/community repair (e.g., act of kindness, helping role).
Step Seven Home Engagment A formal meeting with the Principal, Parents and member(s) of SLT should a pattern of behaviour emerge to look at a package of support	Step Eight Internal Suspension Pupil will spend a set period of time away from their classroom setting to reflect on their behaviour, complete assigned work, and engage in restorative conversations before reintegration.
Step Nine Suspension & Reintegration If behaviour becomes persistant or aggressive/verbally abusive behaviour is displayed, the child will receive a Suspension	Step Ten Permanent Exclusion Permanent Exclusion from St Gregory's Catholic Primary School

Behaviour is everyone's responsibility!

Attendance

- We want our children in school every day as we miss them, and they miss so much, if they are not here
- Attendance is monitored weekly by Mrs Scullion and Miss Dunleavy – we will reach out to see if you need any support should we notice a pattern or slippage with your child's attendance
- We understand there may be times when your child is too unwell to come to school. Our aim is for each child to achieve 97% attendance for the year!
 - If your child is too unwell to attend school, please phone on the first day and any subsequent day of illness
 - A home visit will be completed on the 3rd day of illness
 - Please try to limit appointments during the school day
 - If appointment falls during the school day, please make sure your child still attends school before and after
 - Holiday requests during term time will not be approved

Medicine

- Asthma inhalers – labelled please and an asthma card completed
 - These are available from the office

- All prescription medicines to the office as paperwork must be completed for staff to be able to administer this

- Provide up to date Allergen information to the office
 - 2 x epi pens in school for any child needing one!

Communication

Please do ensure that you have access to Arbor and that your contact details (especially email addresses) are up to date so that you don't miss any important updates!

Arbor can be used for the following:

- ♥ Communication
 - ♥ Emails
 - ♥ Texts
- ♥ Weekly Newsletters
- ♥ Direct Messages
- ♥ Payment System – Meals, Clubs, Trips
 - ♥ Booking System – Care Club

School & Home Partnership

School and Home partnership is incredibly important to us.

If you have anything you wish to discuss, any questions or any concerns please do make contact with us so that we are able to assist you at the earliest opportunity.

The best way to do this is speak to us on the door at the beginning or end of the day.

We all want the best for your child and with your support, hope to provide them with a year's worth of learning and experiences that allow them to reach their God-Given Potential.

Parent Consultations

These Autumn Term Consultations will allow us to inform you how your child has settled into their new year group.

These will take place either online or in person – you may choose the form you feel most comfortable with!

Wednesday 15th October 3:30pm-6:00pm
Thursday 16th October 3:30pm-6:00pm

Booking will be available via Arbor

Thank You!
